

Dear Community Member and Business Leader,

On behalf of the Dakota-Thurston Fair Board, we are reaching out to invite you to support one of our community's most valued traditions—the Dakota-Thurston County Fair.

The fair has long been a place where families gather, youth showcase their hard work, local organizations connect, and our community comes together to celebrate agriculture, education, and entertainment. None of this would be possible without the generous support of community members and local businesses.

We are currently seeking donations to help with the ongoing maintenance and improvement of our fairgrounds, including buildings and grounds, as well as the costs associated with hosting events and attractions during the fair. Your support helps ensure that the fair remains safe, welcoming, and enjoyable for all who attend.

To recognize our supporters, we offer multiple levels of sponsorship, as outlined in the attached sponsorship grid. These sponsorship levels provide opportunities for advertising and public recognition throughout the fairgrounds and during fair events, allowing your support to be visible to thousands of attendees.

Whether you choose to contribute as a business or as an individual, every donation makes a meaningful difference. Your investment directly supports a tradition that strengthens our community and creates lasting memories for families across Dakota and Thurston counties.

Thank you for considering a donation to the Dakota-Thurston Fair. We truly appreciate your time, generosity, and continued support. If you have any questions or would like additional information, please do not hesitate to contact Elizabeth McManigal at 712-301-7182 or [dtcountyfair@gmail.com](mailto:dtcountyfair@gmail.com).

**See you at the Dakota-Thurston County Fair!**

**July 26<sup>th</sup> – August 2<sup>nd</sup>, 2026**

With sincere appreciation,

Dakota-Thurston County Fair Board
